**New President for the Canadian Angus Association
June 14, 2011: for immediate release**

CALGARY, AB — Canadian Angus Association members gathered in Clear Lake, Manitoba, over the weekend for the 2011 annual general meeting. The Board of Directors affirmed David Bolduc as President for 2010–2011.

David, his wife Margaret and their son Matt operate Cudlobe Angus with his brother Dyce, his wife Adriana and their family. The families run 400 cows in southern Alberta. David holds a Bachelor of Science in Animal Science from the University of Alberta where he also attended graduate school.

David and Dyce Bolduc are the only two brothers to both serve as President of the Canadian Angus Association Board of Directors. Dyce was President in 2005.

“There is so much happening for Angus breeders right now,” says David. “It’s a very exciting time for our breed and I am honoured to serve as President.”

David will be supported in this role by Gary Latimer of Olds, Alberta, who was chosen as President Elect.

The Canadian Angus Association (www.cdnangus.ca) is a not-for-profit association incorporated under the Animal Pedigree Act. The Association represents 3,000 members across Canada for the purposes of registering and recording the pedigrees of purebred Angus cattle and promoting the breed across Canada. Its member-approved mandate is to maintain breed registry, breed purity and provide services that enhance the growth and position of the Angus breed.
