Calf Abnormality Report

If you have an abnormal calf:

- Visit www.cdnangus.ca and look under Breed Development/Genetic Defects if you suspect a genetic problem may be the cause of the abnormality. You can also call 1-888-571-3580 for information and advice about abnormal calves.
- Return the completed form to the Canadian Angus Association by mail, fax or email.
- Collect hair samples including at least 100 hairs with the root bulbs intact from the calf, sire and dam. Place the hairs in clean, labelled envelopes and store them in a safe, dry place.

Name: _____ Membership number: _____

Address: _____

Phone: _____ cell phone: _____

Fax: _____ email address: _____

Calf ID: _____ Calf tattoo: _____

Sire Registration #: _____ Sire tattoo: _____
