Application for Donor Dam Approval

Application checklist:

____ This dam is parent verified by DNA at a laboratory approved by the Canadian Angus Association
As of April 1, 2026 dams are required to be tested for genetic conditions and have an Angus HD test prior to Donor Dam approval being granted. Is there a sample on file that the CAA can use to complete all required AngusHD and Genetic Condition testing? ___Yes ___No

If not, you need to submit a sample to complete the required testing.

____ Signatures of all owners are required to complete this approval

Member Name: _____ Member ID: _____

Name of Animal: _____

Tattoo: _____ Registration Number: _____

Printed name & Signature of owner(s):

Date: _____

Once a dam is approved she will remain approved and any animals that were designated prior to October 29, 2014 will remain so approved.

Return the completed form with appropriate fees to:

Canadian Angus Association, 292140 Wagon Wheel Blvd, Rocky View County AB, T4A 0E2
