President's Report

- Continued from page 1 -

- Congratulations goes out to Tom de Waal of Harvest Angus, Prince George on his recent appointment as CAA President.
- B.C. Junior Angus Association remains active, as they hosted two educational "On the Beef Bandwagon" field days in May. The north event was held at Poplar Meadows Farm in Ft. Fraser, while the south field day was hosted by Westwold Feedlot in Westwold, B.C.
- CJAA will be hosting the annual Junior Showdown, July 22-25 in Swift Current, Saskatchewan.
- BCJAA will be hosting an online fundraising auction in 2023. Watch for details.
- June 4 – I attended the Caribou Classic Jr Steer & Heifer Show at Williams Lake, B.C. Both steer and heifer classes were deep in quality of Angus and Angus influence cattle. This was a well attended and well organized 4H and Junior Association members event with over 200 head exhibited representing all breeds.
- Congratulations is extended to two BCJAA members Hannah Fitchett of Quesnel, B.C. and Jordan Bapty of Coldstream, B.C. on being named recipients of the BC Angus Scholarship Awards for 2023.
- B.C. Angus membership and directors wish Hannah and Jordan well in her future educational pursuits.
- Thank you is extended to Jim & Shirley Moon & family of Red Moon Angus, Vanderhoof for being the donor of one annual scholarship.

Until the next time.

BCAA Scholarship Recipients

BCAA traditionally awards one five-hundred-dollar scholarship to a successful candidate thanks to the annual sponsorship donation from Red Moon Angus, Jim, Shirley Moon & family.

In 2023, the Scholarship Committee decided to name two recipients, based on the outstanding quality of the applicants.

Once again, BCAA thanks Red Moon Angus for their kind donation for one scholarship while the association is pleased to announce they will top up the appropriate funds for the two recipients this year.

BCAA will forward the appropriate funding to the recipients upon receiving proof of registration at a post-secondary institution.

Congratulations goes out to Hanna Fitchett, Quesnel, B.C. AND Jordan Bapty of Coldstream, B.C

Both of these recipients are long serving 4H members in their respective clubs as well as active members of the B.C. Junior Angus Association and both absolutely excelled scholastically.

Hanna Fitchett graduated high school in early January 2023 and works part time at a purebred cattle operation as well as at home assisting her parents manage and calf a commercial Angus herd of approximately 250 cows. Hanna plans to study Agri Business at Lakeland College in Vermillion, Alberta in the fall of 2023.

Congratulations and best of success from all of your Angus friends Hanna.

Jordan Bapty in grade 9 decided to obtain her schooling for the second semesters on line. In doing so, this would allow Jordan time and opportunity to work and mentor along side of her parents Nick & Elaine Bapty at Coldstream Ranch. Jordan has been accepted at Thompson Rivers University, Kamloops, BC to pursue her Bachelors in Natural Resource Science.

Congratulations Jordan, best of success as well is extended to you from your many friends and extended Angus families.

2023 Caribou Classic Jr. Steer & Heifer Show – A Huge Success

Year two of the Caribou Classic held in Williams Lake, B.C. was extremely successful with 200 plus head of steers and heifers exhibited by 180 plus 4H and Junior breed association members throughout B.C. Judges for the 2023 Caribou Classic were Tyson Rasmuson and son Brylan of Midale, Saskatchewan.

Grand Champion Female was an Angus / Simmental cross coming out of the Simmental class. This fancy yearling heifer was out of a purebred black Angus dam and exhibited by Rylan Pincott of Buffalo Creek, B.C. Rylan received a rope halter and BCAA Champion Female ball cap from B.C. Angus Association.

Reserve Champion Female was a January 2022 born yearling Angus heifer, coming out of the Angus influence yearling heifer class. This reserve champion heifer was owned and exhibited by Sylvie Harpur of Rock Creek, B.C. Sylvie received a rope halter and a Canadian Angus ball cap presented by BCAA.

Jessabelle Trelenburg won the purebred Angus heifer class with an entry of Schochaneetqua Ruby 270K, a January bred yearling sired by SAV Harvester 0338 and owned by Schochaneetqua Angus of Big Lake, B.C. Jessabelle had two entries in this class, she also placed 2nd with Schochaneetqua Blackbird 289K, sired by SAV 654X Rainmaker 8056. Jessabelle received a rope halter from BCAA.

Thank you and congratulations to all 4H and junior members for selecting Angus or Angus influence cattle for your projects and breed of choice.

CAA Convention Summary

B.C. Angus Association Members,

This month, the Canadian Angus Association (CAA) held their Annual General Meeting (AGM) and Convention in Saskatoon, SK where John Appleby and I represented B.C. The event was a combination of meetings and field tours, which provided many opportunities to learn and exchange ideas, experiences, and network with fellow counterparts. The field trips were notable beginning with a tour of the Livestock Forage Center of Excellence where we learned about research projects such as alternative cattle feed sources to realize economic and efficiency gains. Another excursion was to Norheim Ranching, which I called “THE Shopping trip”, where we checked out various displays of farm and ranching equipment; it reminded me of the joy when I was a kid circling all the toys I wanted in the Sears Christmas Wish book. We also had the pleasure of viewing local Saskatchewan Angus prized stock. To my surprise, CAA answered a question I often ask myself “which wine would best complement my Angus steak”, by announcing the partnership with Vanessa Vineyard, Similkameen Valley, B.C. with Genuine Angus, an exclusive red wine only available to CAA.

Concluding the weekend was the AGM and presentations where B.C.'s own Tom deWaal, Prince George, was formally announced as the new CAA President; Congratulations Tom!

The CAA Junior Ambassador competition held their final public speaking event where British Columbian, Canadian Junior Angus Director, Sarah McDonald, was a finalist and strongly represented BC with her public speaking skills. In addition, CAA launched the Canadian Angus Hall of Fame and inducted former CAA staff member Brian Good. Capping off the convention was the 50 and 75-year heritage awards for continuous CAA membership.

In summary, the convention encompassed the past, present and future of CAA with camaraderie and learning opportunities to promote and sustain the Angus breed.

B.C. Ag Expo

The 2023 B.C. Ag Expo is set to take place again this September 22-25 in Barriere, at the North Thompson Agriplex. It is predominantly a 4-H show, but also has an open division for most of the species competing. The 2022 B.C. Ag Expo saw record numbers, with 261 participants from 22 different 4-H clubs across the province. The beef division is a large component of those numbers, and we hope to continue growing it each and every year!

Angus cattle play a huge role in both the 4-H and open divisions at the Expo. In 2022, there was around 90 head of Angus and Angus influence cattle entered between the live show and the carcass division. Wow! 60 of those animals were 4-H projects. Not only were Angus cattle there in large numbers, but also high quality. Both the Grand Champion 4-H Steer and Grand Champion 4-H Female were Angus cross animals. It is definitely a testament to both purebred and commercial producers that Angus genetics are alive and well, and working for these young 4-H members and future producers. Furthermore, Angus influence animals weren't just successful in the showring. They also stood out in the cooler after the show. Of the 18 steers that graded Prime, 11 of them were Angus or Angus Influence animals.

In 2022 it was also great to have representation from the B.C. Angus Association with us for the weekend. John Appleby had front row seats to the whole show with the B.C. Angus Booth, and I think he talked to a lot of people about Angus cattle and gave away a lot of Angus swag! He also gave rope halters to members and their Angus projects. We would also like to thank the B.C. Angus Association for their sponsorship of the event year after year. Your support does not go unnoticed by everyone involved! We look forward to the 2023 B.C. Ag Expo, and seeing all the 4-H members out competing with their 4-H projects, and hope to see even more Angus Influence cattle in the ring.

We hope to see you there!
