Sire Authorization Form

(this form gives authorization to another member for semen and bull use to a maximum of 10 members/bull on individual bulls)
As of April 1, 2026 sires are required to be tested for genetic conditions and have an Angus HD test prior to AI approval being granted.
If there is not a sample on file that the CAA can use to complete all required AngusHD and Genetic Condition testing one will need to be supplied.

As owner (representing all ownership parties), I

I _____ of _____ CAA membership # _____
(print first and last name) (print farm name) (Membership #)

hereby authorize semen access on the following bull

Registration #

Tattoo

Name

as of (DD/MM/YY) _____ to the following members

(sale date – please ensure proper sale date is used or calves will not be able to be registered)
