2019 Canadian Angus History Book \$90

How you can support the

What is the Canadian Angus Foundation?

The Canadian Angus Foundation, incorporated in 1993, is the charitable arm of the Canadian Angus Association. The main functions of the Foundation are to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research and historical preservation and restoration.

The Canadian Angus Foundation fulfills its mission statement through supporting Canadian Angus research initiatives, developing educational programming, and continuing efforts on the living history project to bring our archives to life in addition to ongoing support of scholarships and awards for young breeders and junior members.

Help Support the Canadian Angus Foundation

The Foundation relies on volunteers and fundraising to carry out its mandate. Thanks to the help and support of these volunteers and generous donors, the Foundation can offer programs to Canadian Angus Association members across Canada. You can support the Canadian Angus Foundation by donating and purchasing items in the Building the Legacy fundraiser; participating in the Future 15 initiative; purchasing CAF merchandise; supporting the Wall of Honour; Breeder's Choice and Angus Roots programs; making a general donation; donating to a specific program; adding a charitable bequest to a will; living trust or insurance policy; and by donating your Angus memorabilia to the Canadian Angus Foundation archives; or by giving the gift of your time.

Mission

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association.

Vision

With inspiration and bold initiatives, we create opportunities to grow our Angus legacy.
